SCSE GPU Cluster TC1 (Teaching) Application Form for Semestrial Project

DETAILS OF PROJECT

Name of Coursework* *[Subject Title / Subject Code / Lab Group]*:

Name of Project Supervisor*

E-Mail Address of Project Sup*

Period of Usage*: From [mm/yyyy] To [mm/yyyy]
The end month must correspond to the end month of the school semester

From | **To**

PARTICULARS OF PROJECT USERS

Name of Project Team *	

Name * [Must be Same Name Format as printed on Matric Card, not alias]	**NTU E-mail ID *** [exclude '@ntu.edu.sg']	**Home Directory** **[To complete by the Administrator]**
Team Leader		
Team Members		

DETAILS OF GPU RESOURCE ASSIGNMENT [To complete by the Administrator]	
Name of UNIX Group	
Pathname of Group Share Folder	
Quota (GB) for the Group Share Folder	
QOS	
Remark	

***Require Input, must not leave blank**

SCSE GPU Cluster TC1 (Teaching) Application Form for Semestrial Project

Terms and Conditions for Semestrial Project Applicants

1. The project group size can be ranging from min 1 till max 5 members.

2. All users will have individual home folder of disk quota 100GB.

3. The share folder (to facilitate data sharing) will only be assigning to group with at least 2 members. The disk quota of the share folder will be [Number of members]*100GB.

4. All users will be using the default QoS assigned with only one GPU Card. Not applicable to request for additional QoS.

5. The user must deploy CONDA to setup own environment and applications. TC1 will not provide the support for application installation and coding issue.

6. There are <u>NO</u> backups provided for data stored in own home directory. The users are responsible for protecting own data

7. TC1 GPU Resources are to be used for <u>academic purposes only</u>. Use of resources for a purpose other than that for which they were granted will result in the termination of account

8. The users are not allowed to access directories other than own assigned Home and Shared folders. Unauthorised access to other directories or files, even for the purpose of "browsing", shall be deemed as a security breach. Serious action will be taken against users committing any breach to the SCSE GPU Cluster

9. The assigned data folders and QoS will be removed, upon after the usage expiry date, with no prior notification

10. For technical issue, the user may drop an email to scsegpu-tc@ntu.edu.sg
